Austin, Texas | P: (512) 592-1694 | jasoncarswell28@gmail.com | linkedin.com/in/j-l-carswell-48a05064 | profile.bitglobalsolutions.com/jasoncarswell

PROFESSIONAL SUMMARY

DoD-cleared technology leader and former U.S. Army Ranger with 15+ years of experience designing, modernizing, securing, and leading enterprise networks and unified communications across aerospace, defense, deployed, and corporate environments.

PROFESSIONAL EXPERIENCE

LOCKHEED MARTIN CORPORATION

Senior Staff Lead, Network Engineering (Level 5) | Jun 2024 - Present | Marietta, GA

- Directed enterprise aerospace network modernization, improving system performance by 25% while maintaining DoD security compliance.
- Led and developed a 15-member engineering team; reduced onboarding time by 20%.
- Championed layered network security strategies protecting more than \$500M in classified assets.

TELOS

Unified Communications Engineer, RS3 | Dec 2023 - Jun 2024 | Fairbanks, AK

- Directed migration from legacy voice to VoIP for 10,000+ users with zero downtime.
- Engineered Cisco CUCM, UCCX, Unity Connection, Webex, TMS, PCD, Prime, VoIP/VTC, VPN, and Meraki services.

CENTRAL TEXAS AGENCY

Technology Support Officer | Aug 2018 - Dec 2023 | Austin, TX

- Built secure hybrid-work infrastructure for 150+ employees and directed a \$500K communications upgrade.
- Engineered IT systems that reduced latency by 25% while improving customer-service delivery.

GOVCIO

System & Network Administrator / Lead | Oct 2013 - Aug 2018 | Fayetteville, NC / Deployed

- Led secure VoIP/VTC, LAN/WAN, virtualization, and server delivery across NATO and DoD theaters.
- Managed 17 network environments spanning top-secret through unclassified mission domains.

U.S. ARMY | 75TH RANGER REGIMENT

Senior LAN Manager / Site Lead | Feb 2009 - Oct 2013 | Global Deployments

- Managed 500+ systems, 1,000+ accounts, and \$2.2M+ in tactical communications equipment with 100% accountability.
- Completed five Afghanistan rotations as a Ranger Communicator supporting Operation Enduring Freedom.

CREDENTIALS & READINESS

CCNP Enterprise | CCNA | Cisco Enterprise Core | Cisco Enterprise Wireless Implementation | Cisco Enterprise Advanced Infrastructure Implementation | CompTIA Security+ | Active DoD TS/SCI | DoD 8570 IAT Level II
